国際学会発表: 専攻科生・機械工学科学生がポスター発表しました(平成 27 年 11 月 3 日)

国際会議 The 10th International Symposium on Advanced Science and Technology in Experimental Mechanics (10th ISEM '15-Matsue '15.11.1-4, くにびきメッセ:島根県松江市)ポスターセッション(11月3日(火)9:30~11:50)にて、米子高専専攻科生と機械工学科学生が4件の研究成果を発表しました。

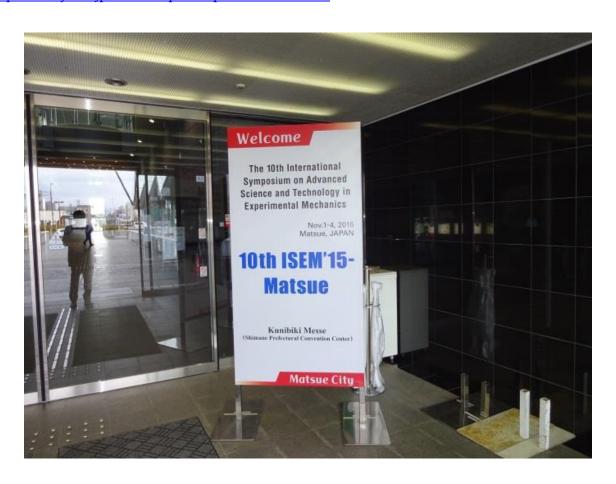

"Study of Heating and Cooling Characteristics of Working Fluid Including Phase Change Material", Kota TANIMURA, Keita TAGAWA and Shin-ichi MORITA

"Phase Change Characteristics of Nanosuspension as Latent Heat Storage Material", Koki HIRATA, Tomohiro HASE and Shin-ichi MORITA

"Study of Growth Promotion of Agricultural Products by Ground Heat Soil Warming", Yuma KATSUBE, Daiki TAKEUCHI and Shin-ichi MORITA

"Application of Numerical Simulations for Heat Treatment", Takumi MATSUDA and Takeshi GONDA

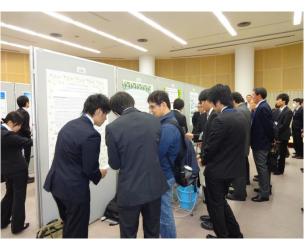

同国際会議では、専攻科生産システム工学専攻 松田拓巳君が優秀ポスター賞を受賞しました. http://www.jsem.jp/ISEM10/poster-presentation.html
